### **CUES® Recognizes May 2017 CEO Institute Graduates**

**MADISON, Wis.**— CUES is pleased to recognize 50 credit union executives who recently completed all three years of its prestigious executive education program, CEO Institute. In addition, 31 of the graduates earned their Certified Chief Executive (CCE) designation, signifying their ongoing commitment to professional development. They join the ranks of 628 credit union leaders who have also obtained their CCE, and who are recognized throughout the credit union movement as having established a standard of educational excellence.

This three-part graduate-level program takes participants through the full spectrum of leadership preparation. Each of the intensive, week-long programs is held at a renowned business school: CEO Institute I: *Strategic Planning*, at the University of Pennsylvania, The Wharton School, Philadelphia; CEO Institute II: *Organizational Effectiveness*, at Cornell University, Johnson Graduate School of Management, Ithaca, N.Y.; and CEO Institute III: *Strategic Leadership Development*, at the University of Virginia, Darden School of Business, Charlottesville, Va.

Due to high demand, CUES added a CEO Institute III summer session to its lineup:

- CEO Institute III: *Strategic Leadership Development*, August 20 - 25, 2017, University of Virginia, Darden School of Business, Charlottesville, Va.
