CUES® Compensation Survey Participation Now Open Through March

MADISON, Wis.—CUES is asking credit unions across the United States to participate in two important industry surveys: *CUES Executive Compensation Survey* and *CUES Employee Salary Survey*. Both are open for participation from January 1—March 31.

Annual participation is vital to the credit union movement because the information collected helps keep industry salaries competitive.

Each survey features questions related to wage, bonus, and benefits information per position to help credit unions attract and retain well qualified professionals.

Credit unions who have previously participated can simply update their existing information by clicking the re-submit button.

Credit unions can complete or re-submit data to the surveys now by visiting cues.org/ECS and cues.org/ESS. Additionally, participants receive a 20% discount when they purchase the survey results.

For more information, contact CUES Survey Support at **866.508.0744**, or email surveysupport@cues.org.

CUES' mission is to educate and develop credit union CEOs, executives, directors and future leaders.
