Accessing and Starting the CUES Director Education Center

Purpose: Locate, launch, and start a CUES Director Education Center Course

Process:

1. Once you are logged in to cues.org, click 'Access My Benefits' in the top navigation bar.

2. Scroll down to 'Director Education Center' click the +, then click 'ACCESS NOW'.

Director Education Center

Increase your competency on critical board topics with continually updated, interactive director education courses.

You'll find all courses are highly interactive and engaging, and were designed with great features to aid learning, including workbooks you can use as learning tools and takeaways, voice over and closed captioning features which can be turned on and off, and engaging visual design and infographics.

3. Here you will find a list of all 14 courses. To launch a course, click the course name.

[A History of Credit Unions](#) 1 module

This training module will provide an understanding of the historical development of credit unions, the value the credit unions bring to their community, the credit union difference and various challenges and opportunities credit unions face.

[The Role and Responsibilities of Board Committees and Task Forces](#) 4 modules

These training modules will help you and your colleagues more effectively utilize committees to perform the work of the board without crossing the line between governance and management.

[The Role of the Board in Recruiting, Compensating and Assessing the CEO](#) 3 modules

These modules provide support around the board responsibility in hiring the CEO, developing a competitive compensation package, overseeing the CEO's overall efforts, and ultimately assessing the CEO's performance.

- You will now be redirected to CUES Learning Portal, within the course you selected.
