Use a Harvard ManageMentor Course

Courses can be completed by an individual looking to develop their skills, by a team looking to connect and develop as a group or by a leader looking to support the growth of a direct report. Simply, find a course of interest within this catalog and access Harvard ManageMentor from the MyCUES Dashboard and search the course. Complete the course yourself or share it with your team, a peer, or your direct report. Engage in conversation around your takeaways and identified actions to develop your knowledge and build your skills.

Complete a Harvard ManageMentor Course

To fully complete a course, an individual must complete all associated lessons, and pass the assessment. The on-the-job section will help the learner put their new skills into practice, it is not required for course completion. However, this plan will help you to apply your learnings from the course and is recommended that you act on your plan.

Once the course has been completed, a certificate of completion will be made available to you within the Harvard ManageMentor platform.
