

CUES Learning Portal

Accessing a Shared Pathway

1. To access your shared pathways, on the CUES Learning Portal Home Page, navigate to the "Resources" section and select the "Shared" tab.

2. Within the "Shared" tab, you will find any pathways that have been shared with you. In order to get your completion certificate for the pathway you need to make sure your progress is at 100% by manually selecting "Complete Content" at the end of each course before submitting the certificate request.
