

CUES Learning Portal

Find And Follow CUES Learning Portal Pathways

From the CUES Learning Portal Home Page, click the "Featured" tab in the top Navigation bar.

From here, scroll down and look for the "Trending Pathways" section, this will show you the current popular pathways.

Trending Pathways

To view the pathway content catalog, scroll down to the Browse By Category section. Click the title of the catalog to launch.

Browse by Category

To follow a pathway, you can either click the plus "+" icon within the pathway card:

Or by clicking the plus "+" icon within the pathway itself:

To then find an already followed pathway:

1. On the Home Page of the CUES Learning Portal, navigate to "resources". Under resources, click on "Pathways".

2. From the pathways tab, you can see current followed pathways, completed pathways, or you can browse new pathways.
