Recommending Courses to Others

Purpose: You may want to share a course or learning journey with someone at your credit union. The steps below will show you how to pull a course link and share it.

Admin Note: This process can also be used to deep link a course or learning journey in your LMS.

Process:

1. After you've logged in to CUES Learning Portal and have accessed the course you wish to recommend, copy the URL at the top of the browser window.

2. This link allows direct access to that course. You can use this link to:
 - Easily share the course or learning journey to others via email
 - Easily access the course or learning journey, utilizing CUES single sign on
