Accessing CUES Director Education Center

CUES Director Education Center offers courses to enhance your performance as a board member. Directors will find 14 courses that provide training to impact their ability to guide the organization’s vision and mission, determine policies, and make sound decisions in the best interest of their credit union and members. This guide will show you how to access these courses.

PROCESS

For All Members.

1. After you’ve into CUES.org and accessed the myCUES Dashboard, in the benefits section click “All Member Benefits”.

2. Click access on the “CUES Director Education Center” card.
